GO TO CHURCH DAY

CITIES DOING GREAT THINGS GETTING PEOPLE TO CHURCH.

WHY NOT ONE HERE

Let's Help Our Young Preachers to the Biggest Crowd of Their Lives.

The Democrat-Forum has been expecting the ministers or some of the church people of Maryville to come forward with the announcement that a certain Sunday would be observed as "Go to Church Day" in Maryville ever since the idea was tried in the cities.

But all of the preachers are busy just now preparing for special things that are coming and they have not thought of it, perhaps.

But why wait for the preachers or other good people to start the movement for a "Go to Church Day" in Maryville, such as has been observed in several of the big cities and towns in the country in the last few weeks. Thousands responded and it was a great day for the churches and all who attended.

The Democrat-Forum suggests that the people of Maryville get together, church people and everybody else, and see how many people can be gathered together in our churches, for the morning and evening services, in the various churches of our city. Surprise the preachers by letting them know how many people there are in Maryville.

Will our churches hold all the people who would go?

Let us find out about it.

How would Sunday, January 25, suit you?

Speak up, all of you. Shall we help the preachers to speak before the biggest congregations Maryville has ever gathered together on a Sunday?

WILKIE WAS RELEASED.

Former Maryville Man New Out of the Penitentiary, Having Served His Term.

O. W. Wilkie was released from the state penitentiary on Saturday and is now in Kansas City, where he will spend a few days. Such word was received in Maryville Saturday by Mayor Robey. Wilkie is a former Maryville man, but was sent to the pen from St. Joseph.

HIGH SCHOOL NOTES.

On January 8 the Ancient Order of Disciples of Demosthenes met and gave the following program:

"The Irishman," Harold Ramsey.
"Sermon by Methodist Preacher," John Murray.

"American War," Ross McReynolds.
Harold Staples was a visitor at the high school Friday morning.

The high school was favored with a violin and piano duet by Misses Katherine and Dora Carpenter during assembly Friday morning. Their music was very much appreciated, which was shown by hearty encores.

The Ancient Order of Disciples of Demosthenes met Friday evening in the history room and gave a program. An impromptu debate was given: "Resolved, that one Tom cat on a tin roof makes more noise than three Tom cats in an alley." The debate on this question produced a great deal of laughter, and the judges decided that the negative had won. The speakers were: Affirmative, Abner Johnson, Paul Willson and George Crowson, while those on the negative were Lee Strickler, Paul Thompson and Jesse Strader. Roy David and Jesse Miller gave a comical selection which was well worthy of the vaudeville stage.

Idaho Visitors Leave.

Mrs. Elmer Baker and children of Ashton, Idaho, who have been visiting her mother, Mrs. Anna Neuen, and other relatives, left for their home Saturday morning, stopping in St. Joseph for a visit with her sister, Mrs. Guy Bowers, and family.

Mrs. Denning No Better.

Mrs. W. T. Lewis of Savannah, who was called here several days ago by the illness of her mother, Mrs. David L. Denning, went home Saturday morning. Mrs. Denning's condition does not improve.

Mrs. J. H. Woodburn and son, Maurice, went to Barnard Friday to spend a few days with her parents, Mr. and Mrs. J. S. Hale.

Mr. and Mrs. Roy Heflin of Superior, Neb., left for their home Friday evening after a visit with relatives, Mrs. Jesse Onstott and Miss Flossie Heflin.

NOTED MISSIONARY COMING.

Rev. J. S. Cunningham, for Twelve Years in Africa, Will Be a Speaker at the Maryville Conference.

The executive committee for the united missionary campaign conference to be held here January 27 and 28, announces that arrangements have been made this morning for the Rev. J. S. Cunningham, for twelve years a missionary on the west coast of Africa, and now home on furlough, to speak on Monday evening, January 26, at the Presbyterian church. Mr. Cunningham was recommended to the local committee by the central committee of the laymen's missionary movement. Mr. Cunningham will bring a number of African curios with him for the missionary exhibit which will be one of the interesting features of the conference. As Rev. Corey spoke to us the other night on China, and Dr. Drummond of Hurda, India, will be one of the speakers at the conference, and Rev. Cunningham will tell how Christ is capturing the dark continent, we feel that the missionary field will be pretty thoroughly surveyed.

SPEAKS HIGHLY OF CONCERT.

The Rock Port Mail Tells of Concert Rev. Cox Was In.

The following is from the Rock Port Mail.

This entertainment was given by our friends, Rev. Gilbert S. Cox of Maryville, baritone; Mr. Adolph G. Bock of St. Joseph, violin and tenor; Mrs. Henry F. Stapel of Rock Port, contralto and accompanist; Miss Gertrude Wyatt, soprano, and Miss Elizabeth Dean, accompanist.

The really splendid audience was good evidence of the musicians being either liked well or good, or both. The applause of welcome and the generous applause after each single number should have been very satisfying and pleasing to the artists. By this time they must surely know that Rock Port does appreciate them. The program given was fine. The quartets were splendid, varied in style, sung with accompaniment, and especially Miss Elizabeth Dean did good work as accompanist. Mr. Cox gave two groups of songs—arias, lyrics and songs with violin obligatos. He was in excellent voice, notwithstanding that he had been singing the day before in a matinee musicale at the St. Joseph Fortnightly Musical club, and then, that evening at a concert in Savannah. His voice seems to grow more beautiful and stronger all the time and his interpretation is that of heart and head combined. Mr. Bock, in his sixth appearance here, gave, all through, new numbers. He most certainly gave great delight to all. His numbers were well chosen to display his good technique as well as his splendid soulful tone. We certainly wish Mr. Bock great success as to his future. We have learned that he is leaving this week for New York, for the purpose of further music study. Miss Gertrude Wyatt sang as sweet and clear as we have ever heard her. Her numbers were greatly enjoyed. Mrs. Stapel was busy accompanying her friends at the piano and also delighted us with a beautiful solo. We hope for a return engagement of this delightful company of musicians.

Miss Ella Roney and John Costello went to St. Joseph Saturday morning for a day's visit. J. Ed Costello and James Roney of Oaks, N. D., went down Friday morning and will return with them Saturday evening.

A FARMER'S WEEK

PROF. CAMERON JUST RETURNED FROM COLUMBIA EVENTS.

BANQUET HELD FRIDAY

Five Hundred at Table—Hubert Coker Won First on Boys' Contest and Still Greater Honors.

Prof. J. E. Cameron of the agricultural department of the Normal, returned Saturday morning from Columbia, where he attended the Farmer's Week events. Mr. Cameron in speaking of it says:

"It was the largest meeting in the history of the agricultural department of the state. There were 2,248 farmers enrolled this year, being one-third more than ever before. During the week more than 250 subjects were discussed by as many different men. Seven different subjects were discussed each hour during the day. Experts from many states were there to give the very latest on all farm subjects.

"Seven years would be required for any individual to hear all the lectures given during the week.

"The attendance at the agricultural college by the young men of the state in the regular work has increased more than 300 per cent in the last five years.

"The Farmers banquet was held Friday night and five hundred sat at the banquet table of fine roast beef and other products raised largely on the state farm. Toasts were given by Governor Major, everyday farmers, Superintendent Evans and county farm experts. They all gave good talks and told about making life on the farm happier and brighter for young and old. The rural life conference was full of interest from start to finish. Things are being done in this state by the farmers and others that mean much for the uplift of rural communities. Better churches, better schools, better home life is the watchword today of all speakers regarding farm life."

Prof. Cameron says that Hubert Coker not only won first in the acre yield in the boys' contest, but also championship over men's contest. The corn in the contest was of a superior quality.

Otho Robey won several prizes at the state poultry show at Columbia on Single Comb White Leghorns. He won first, second and third pullet and first and third cockerel.

HAROLD McNEAL IS DEAD.

Seventeen-Year-Old Youth Succumbs to Insidious Diseases of Diabetes—Funeral on Monday.

Mr. and Mrs. Charles McNeal of this city are grievously stricken in the death of their only son, Harold, who passed away Saturday morning about 5 o'clock, after a long and useless struggle against the disease of diabetes.

Harold returned a few weeks ago from Waukesha, Wis., where he had taken several weeks' treatment at a sanitarium, and had previously been there last fall in company with his mother for several weeks, with apparent fine result. He was happy and confident of recovery, as were his family and friends. He was taken ill Tuesday evening of acute indigestion that had the effect of bringing on an attack of his old trouble, with which he was first taken a year ago last July. He did not seem in danger until Friday afternoon, when the disease made such rapid strides that nothing could be done for him. He realized his condition and a little while before unconsciousness came he said good-bye to those at his bedside. His death is peculiarly sad, as another son, Vernon, 13 years old, died in 1908, the 17th of May, of the same disease.

Harold McNeal was one of the best boys Maryville ever had. He was loved by a large circle of boys and other young people. He was born in Maryville, August 8, 1896, making him past 17 at the time of his death. He was a fine student in school and an accomplished musician. His death is deeply mourned by many friends.

The funeral service will be held at 2 o'clock Monday afternoon at home, 604 South Buchanan street, by Rev. Gilbert S. Cox of the First M. E. church. The body will lie in state from 9 to 11 a. m. that day. Burial in Miriam cemetery.

Relatives arriving Saturday morning were Mrs. Phil Ridgeway of Lenox, Ia., and Mr. and Mrs. Harry Ridgeway of Blanchard, and a cousin, Miss Avis Pinell, a nurse at Ensworth hospital, St. Joseph, arrived Friday night.

A CITY ELECTION

TAKES PLACE TUESDAY, APRIL 7, SEVERAL CANDIDATES OUT.

A COMMISSION FORM

Of Government, Also City Manager Being Talked—Mayor Robey Will Not Be a Candidate.

The regular city election will be held on Tuesday, April 7, and several candidates are being mentioned for the various offices to be filled.

There is some talk of submitting the commission form of government to the voters. Then they are discussing the matter of hiring a city manager, as is being done in a few other towns and cities. Many seem to favor the commission form, and there are also a number in favor of the city manager. If any changes are to be made, action will have to be taken soon.

Mayor A. S. Robey, who has been serving as chief executive for the past two terms, stated Saturday that he was not a candidate for re-election. A few men have been suggested for that place, some of them being John G. Grems and L. C. Gann.

A chief of police and also a city collector will be selected. Marshal Moberly is a candidate to succeed himself. He will probably have opposition in Frank Partridge and John Wallace. No one is being suggested for city collector.

The terms of Frank Ewing as alderman from the First ward, John Borusch as alderman from the Second, Charles McNeal from the Third and Will Moyer from the Fourth will expire at the election. Charles Culverson is being suggested in the Fourth to succeed Moyer. In the other wards no candidates are mentioned.

It is thought probable that the ticket to be selected will be as it was in the past few years, by a non-partisan convention. Some are urging that Democratic and Republican tickets be put in the field.

The holdover members of the board are Mose Hahn, J. D. Ford, John Gray and Louis Gram.

DEATH OF MRS. HEWITT.

Aged Hopkins Woman Passed Away Friday After Only a Few Days' Illness.

Mrs. Tabitha Hewitt died at her home in Hopkins Friday afternoon at 3:30 o'clock, after an illness of only a few days.

The funeral services will be held at 1:30 o'clock Sunday afternoon, conducted by Rev. Griffith of the Baptist church. Burial in Hopkins cemetery.

Mrs. Hewitt was born in Montgomery county, Ill., December 31, 1822, and lived in that county until her marriage to H. H. Hewitt of the same county. They came to Hopkins in 1880 and she has lived there continuously since. Mr. Hewitt died in 1904 and since that time Mrs. Hewitt has been tenderly cared for by her sons.

One daughter and four sons survive.

DEATH OF HOPKINS WOMAN.

Mrs. Henry Glass Passed Away Friday After Short Illness of Pneumonia.

Mrs. Henry W. Glass, living six miles east of Hopkins, a sister of R. M. Black of this city, died at 4 o'clock Friday morning of pneumonia. Mrs. Glass was an old resident of that community, having lived there for thirty years. The funeral arrangements have not been made, as word from the oldest son, Frank Glass, who lives in southern Missouri, is being waited for.

Mrs. Glass is survived by her husband, a daughter, Miss Adah Glass, who lives at home and has cared for her mother during her illness, and three sons, Frank Glass, Delbert and Arthur Glass of Hopkins.

Mrs. A. Morris of Kansas City, Kas., was a guest at the home of Mr. and Mrs. John Stundon Friday.

Mrs. Fred Swann went to Bedford Friday for a few days' visit with friends.

HIS RULES FOR NEWLYWEDS

Marriage License Clerk Compiles a
List of Thirteen "Don'ts"

These thirteen don'ts for newlyweds have been compiled by the clerk of the court in Milwaukee by whom marriage licenses are to be issued under the new "eugenic" law, his idea being that that statute hasn't repealed the laws of human nature:

- Don't argue; try to be boss or show your own importance.
- Don't forget who you are and who your wife is.
- Don't be deceitful, selfish or grouchy.
- Don't be a spendthrift or a tightwad.
- Don't forget that your wife's mother is the same to your wife as your mother is to you.
- Don't forget the church.
- Don't forget that the man worth while is the man who can smile when everything goes dead wrong.
- Don't stay at home all the time.
- Don't let your husband bring his business cares home.
- Don't let your wife go through your pockets.
- Don't have an affinity.
- Don't forget to wipe your shoes before you come into the house.
- Don't butt in.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Waste From Stomach, Liver,
Bowels—Cure Indigestion.

Get a 10-cent box now.

That awful sourness, belching of acid and foul gases; that pain in the pit of the stomach, the heartburn, nervousness, nausea, bloating after eating, dizziness and sick headache, means a disordered stomach, which cannot be regulated until you remove the cause. It isn't your stomach's fault. Your stomach is as good as any. Try Cascarets; they immediately cleanse the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the bowels. Then your stomach trouble is ended. A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your stomach sweet; liver and bowels regular for months. Don't forget the children—their little insides need a good gentle cleansing, too.—Advertisement.

Clyde Busby and H. B. Polson, entertained the beginning and advanced seniors at the high school building Friday evening.

The hall was beautifully decorated by means of flowers, pennants and three large arches, decorated in the high school colors, red and white, one being at each end and the third at the entrance of the hall.

Miss Neva Sage furnished music continually.

Each guest was requested to represent a kind of cake, and after examining the various tags and odd articles of dress, Superintendent Westbrook called the names of those present, and as each name was called a contest was opened for guessing the name of the cake represented.

Progressive games were then played, a new game at each table. After the games refreshments were served in three courses and prizes awarded. Miss Meriem Holt was winner of the first prize for the girls, a book containing the favorite cake recipes of the members of the faculty, while the consolation prize, a miniature edition of the same, went to Miss Nina Evans. George Crowson was awarded a cake, the first prize for the boys, while Ed Gorman was awarded the consolation prize, a miniature of the first prize.

A cakewalk was then given, after which "Good Night, Ladies" was sung in chorus and the guests departed, knowing that their teachers were ideal entertainers.

Those present beside the hosts were Mrs. Clyde Busby, Misses Hazel Vandervoort, Gladys Holt, Izora Mutz, Ruth Reuillard, Edna Wilson, Goldie Roelofson, Katherine Carpenter, Laura Craig, Annetta Lorraine, Nina Evans, Edna Dietz, Ruth Moore, Ora Quinn, Juno Jones, Ora Le Grande, Anna Bartram, Meriem Holt, Anna Halasey, Margaret Chilton, Janette Mutz, Ilene Kemp, Esther Roberts, Blanche Daise, Marie Shipp, Lola Wright, Edith Anderson, Anna Houston, Marie Grundy, Francis Hahn and Rowena Gray, Messrs. Hosts at Annual Luncheon.

Charles and Leland Andrews gave the annual luncheon to the bunch of boys they are in special fellowship with at their home Thursday night. The guests were escorted to the picture show at the Empire theater by Charles Andrews while Leland and his chef, Charles Martin, remained at home and prepared for the feast, which they began serving at 9:30 o'clock. A magnificent three-course luncheon constituted the feast. It was so well prepared and served that when the toastmaster, A. J. Luppold, called for toasts every one responded eloquently. After the toasts the entire company went to the music room, where Guy Neal presided at the piano, giving several brilliant numbers, and was accompanying the soloists. Every guest was required to sing a solo, and although several had never been known to sing before, each did his best out of respect to the wish of their hosts. By the words only it was discovered that Mr. Luppold, the toastmaster, sang the soul-stirring "America." He was moved to try by Charles Andrews, who led off with "That Old Girl of Mine." All had agreed to sing if Mr. Andrews would sing first. He was fortunate in the choice of a song that was so inspiring that everybody wanted to sing. Harry Wells came next with "When It's Apple Blossom Time." Edward Gray very becomingly sang "Peg o' My Heart." Andy Chris Cummins sang "Everybody Loves a Chicken" very emphatically, so very much so that the hosts went to the kitchen and hid the bones of the feast that they intended for the cat. You could hardly hear him, but Marvin Curnutt sang "O, You Million Dollar Doll." Magnus Tate was at his best when he sang "There's a Girl in

the Heart of Maryland." Robert Wells surprised every one in his excellent rendering of "My Rosary." Elmore Frank sang divinely when he gave "I'll Sit Right on the Moon and Keep My Eye on You." Roy Jackson sang "Moonlight Bay" exceptionally well, and Clyde Hutton's rendering of "Casey Jones" was perfectly grand, as was also "Everybody Two Step," by Hosick Holmes. The relative merits of the singing of Cecil Wilson and Leland Andrews, neither of whom ever carried a tune in a basket even, could not be determined, but they did well, Leland singing "Where the River Shannon Flows" and Cecil singing "Nearer, My God, to Thee," the only song he ever learned. After the program the party broke up with a Virginia reel, and a slumber party followed. At 6 o'clock Friday morning every man was up and eating buckwheat cakes, and then all joined in washing the dishes of last night's feast and for breakfast, and all were on time at work, and they have whistled all day today.

"The Girl From Mums."

"THE GIRL FROM MUMMS," a typical Parisian musical comedy, under the management of Sheehan and Beck, will come to the Empire theatre this Saturday evening. "The Girl from Mums" is an exceptionally clever and fascinating Parisian musical comedy constructed upon new and novel ideas to satisfy lovers of musical comedy and light opera.

The play possesses a brilliant and interesting narrative which abounds in sparkling comedy of the better class, and a score which comprises more beautiful popular musical hits than any musical comedy of the past ten years. The firm hold the play has taken upon the public is nothing short of marvelous. The crowded houses greeting this play in every city visited, is positive proof of the popularity and merits of the attraction.

The cast is headed by Miss Olive Vail, one of the acknowledged leading comedienne of the day, and supported by J. I. Oliver, Geo. Chesborough, John E. Frank, Frank Bertrand, Miss Nellie Watters, Miss Devona Mae, Miss Marjorie Dow and Miss Hazel Regan, and a picked chorus of exceptional beauty.

The costuming of this beautiful musical comedy is a revelation in originality, as every gown worn by principal and chorus, is an original French creation, molded on the person

wearing it.

Scenically and electrically, nothing has been left undone to make "The Girl from Mums" the most beautiful musical spectacle of the season.

Closing out sale on Thursday, Jan. 22—20 head of Jersey cows and heifers. Extra good ones.

P. S.—Originators of the IDEA "NO DEPOSIT TOO SMALL"

IS RAISING FUND.

The St. Louis Republic Proposes to Send Twelve Boys to State Agricultural College.

The St. Louis Republic now proposes to raise a fund of \$1,920 to send twelve boys to the college of agriculture. The Republic publishes the following today.

The Republic, acting on a suggestion of Judge John R. Hairston of Fayette, Mo., herewith inaugurates a movement to raise \$1,920 with which to educate twelve Missouri boys in the college of agriculture of the University of Missouri.

The generous response of readers of this paper to an editorial appeal last week for \$25 with which to send two deserving farmer boys to attend farmers' week at the university, has turned the attention of thinking men to the opportunity they have to capitalize the brains of promising, but handicapped boys, by providing them with an opportunity to learn the new science of farming.

Judge Hairston, proprietor of one of the best kept farms in Missouri and

an authority on practical farming, has conceived that in providing means for an agricultural education for boys without money, one of the greatest strides in checking farm waste and in bringing Missouri to the front of agricultural states, will be accomplished.

His suggestion of providing the tuition, room rent and board and laboratory fees for such boys is the height of applying the old precept of "Help them to help themselves." The boys who are to be selected for an education under the fund must be of high moral character, good parentage and reputation, and must be without means.

Their books and clothing are to be paid for by themselves from money they can earn out of school hours and in vacation months. Judge Hairston's suggestion that twelve be selected is agreed in by the Republic, and this paper herewith adds its subscription of \$100 to that of Judge Hairston.

Miss Ethel Key, who is teaching near Quitman, was in Maryville Saturday morning on her way home to Barnard for an over-Sunday visit.

DEATH LIST NOT
DEEMED GREATOfficial Account of Japanese
Disaster Made Public.

MANY HOUSES ARE DESTROYED

Out of Three Thousand Five Hundred Dwelling Places in Island of Sakura. Jima Half Are Wrecked—Volcanic Action Continues.

Washington, Jan. 17.—An official account of the catastrophe caused by volcanic eruptions in Japan was made public by the Japanese embassy here in the form of the following cable-gram from Tokyo.

The volcanic eruption took place on Sakura-Jima, an island off the city of Kagoshima, on the 12th inst. and out of 3,500 houses on the island half were destroyed; the inhabitants took refuge on the opposite shore; casualties unascertained yet, but supposed not to be great; one report puts it at 200. Volcanic action still continues, but rumbling has ceased.

"The city of Kagoshima was also visited by earthquake, while the cinders poured down from across the channel; the inhabitants closed houses and fled; casualties twenty or more; majority of the houses received some damage and the railway, telegraphic and telephone communications were interrupted for a while, but have been restored.

"The actual extent and condition of the damages are now being ascertained, but it is believed not to be so serious as reported. Kirishima-Yama, a group of volcanic mountains, covering the north side of the city of Kagoshima, showed volcanic action for a short period, while the rumbling of Aso-Sean, a volcanic mountain, with the largest crater in the world, about seventy-five miles to the north of the city of Kagoshima, also lasted for a while, but no damage resulted."

More Shocks Are Felt.

Kagoshima, Jan. 17.—Although the volcano Sakura-Jima was not active, severe earthquake shocks were felt in the towns of Taramizu and Ushine, in the province of Ozumi, which lies across Kagoshima bay to the east. The inhabitants fled in terror. There were many casualties. Numerous houses were destroyed. In various places the movement of the earth caused large crevices. The large quantities of lava and rock thrown out by Sakura-Jima have formed a neck which connects the island on which it is situated with the province of Ozumi, a distance of about a mile.

Small Flood Losses in Potomac Valley
Due to Phone Girls.

Cumberland, Md., Jan. 17.—That the breaking of the huge dam at Dobbin, W. Va., which sent a wall of water down the Potomac river valley, resulted in no loss of life and comparatively small property loss is attributed to the signal brigade of telephone girls organized by the residents of the river towns.

Telegraph and telephone linemen succeeded in restoring communication along the valley and all residents in the lowlands returned to their homes. Engineers of the West Virginia public service commission began an investigation into the breaking of the dam.

RAIL ISSUES DRY OF "WATER"

Blewett Lee Says Value of Lines Exceeds Capitalization.

Memphis, Tenn., Jan. 18.—Instead of being watered, railroad stocks today represent less than the actual value of the properties, according to Blewett Lee of Chicago, general counsel for the Illinois Central Railroad company, who spoke on "Belated Punishment of Railroads," at the "Prosperity Dinner" here.

The speaker declared watered stock and high handed methods of railroads were things of the last generation and do not belong to the present day.

Involuntarily Loops the Loop.

New York, Jan. 17.—Sergeant Samuel Katzman, an artilleryman stationed at West Point, involuntarily looped the loop in an aeroplane and established a record for this feat among military aviators in the United States. The aviator, who is a novice, was flying about 2,000 feet high when his machine turned over and dropped 500 feet. Katzman remained in his seat and in righting the aeroplane made a complete loop. He landed unhurt, but confused by his unexpected maneuver.

Fight Duel on Train.

Atlanta Jan. 17.—A bandit boarded a Western and Atlantic passenger train at Vinings, Ga., robbed passengers in one of the coaches of several hundred dollars and after engaging in a pistol duel with a deputy sheriff who was on board jumped from the train at Bolton, Ga. Authorities at Bolton, which is seven miles west of Atlanta, arrested a man said to answer the description of the bandit.

Jerome Menaced in Many Letters.

New York, Jan. 17.—A dozen anonymous letters, threatening death to William Travers Jerome unless he discontinued his attempts to get Harry Thaw back in Matteawan, have been turned over to a detective agency.

In regard to an article published in the paper recently of the replevin suit filed against me by Robert Wachtel, I wish to say that I bought the mules in controversy at public sale of Robert Wachtel and gave \$457.50. My partner, the late A. C. Snyder, was to stand good for the purchase price, as Robert Wachtel owed him a store bill that would more than cover the price of the mules.

We have many difficult cases of eye troubles to deal with—optical defects—that only glasses will relieve. You may have had other glasses that did not suit you, and been thoroughly disgusted with them, but that is no reason why you shouldn't take time to get glasses that are worth while. Not any glasses, but ones that are exactly suited to your eyes. Our examinations are thorough and accurate. When will you call?
